

# 1 ZiiEGG Quick Start

## Parts of Your Device

Figure 1-1. Zii EGG

- To turn on/off your device, press the **Power** button.
- To reset your device if it stops responding, press and hold the **Power** button for 10 seconds.
- To enter recovery mode, you must first turn off the device. Next, press and hold the **Home** button, and then press the **Power** button simultaneously.
- To zoom in the display on the Web browser, double-tap the screen.

It is normal if your Zii EGG becomes warm after extended use.

## Charging Zii EGG and Transferring Data

- To charge your device, use either the Zii Universal Adapter, Zii USB Mini Cable, or \*Zii USB Cable (sold separately).
- To transfer data, connect your device to the computer using the cable, and then start Zii EGG Explorer on your computer.

Figure 1-2. Zii USB Cable and Zii USB Mini Cable

## Using Wi-Fi

Wi-Fi™ (Wireless Fidelity) is a commonly used wireless network that enables connection to the Internet or other devices that support Wi-Fi. You need to enable Wi-Fi in order to use features such as accessing e-mail and the Internet, and conducting video conference on your device.

### Turning on Wi-Fi

Turn on Wi-Fi to detect the wireless networks available at your location:

1. Touch **Settings**  on the Home menu.
2. Select  **Wi-Fi**.
3. Touch  to turn on.  
Zii EGG displays a list of the networks that it detected.

Figure 1-3. Turn on Wi-Fi

### Connecting to a Network

The first time you attempt to connect to a security-enabled network, you may be prompted to enter a password. Upon successful verification of the password, Zii EGG connects you to the network and saves the password so you do not have to re-enter the information during subsequent connection.

## 2 Safety & Regulatory Information

### Regulatory Information

The following sections contain notices for various countries:

**CAUTION:** This product is intended for use with FCC/CE certified computer equipment. Please check the equipment operating/installation manual and/or with the equipment manufacturer to verify/confirm if your equipment is suitable prior to the installation or use of the product.

#### Notice for the USA

##### Federal Communication Commission (FCC) Interference Statement

**FCC Part 15:** This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

1. This device may not cause harmful interference, and
2. This device must accept any interference received, including interference that may cause undesired operation.

**CAUTION:** To comply with the limits of the Class B digital device, pursuant to Part 15 of the FCC Rules, this device must be installed with computer equipment certified to comply with Class B limits.

All cables used to connect to the computer and peripherals must be shielded and grounded. Operation with non-certified computers or non-shielded cables may result in interference to radio or television reception.

**MODIFICATION:** Any changes or modifications not expressly approved by the grantee of this device could void the user's authority to operate the device.

### **Federal Communication Commission (FCC) Radiation Exposure Statement**

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter.

For body operation, IBANSC-FL02 has been tested and meets the FCC RF exposure guidelines when used directly against the body. Specific Absorption Rate, or SAR is a measurement of radio frequency energy. The FCC permits a maximum SAR value of 1.6 mW/g. The highest SAR value for this product when used on the body, as described in this user's guide, is 1.26 mW/g.

### **California Proposition 65 Statement**

**WARNING:** Handling this product may expose you to chemicals known to the State of California to cause cancer and birth defects or other reproductive harm.

*Wash hands after handling.*

**Explanatory Note:** California Safe Drinking Water and Toxic Enforcement Act of 1986 (Proposition 65) requires special product labeling for products containing certain chemicals known to the State of California to cause cancer, birth defects or other reproductive harm. Creative has chosen to provide a warning based on its knowledge about the presence of one or more listed chemicals without attempting to evaluate the level of exposure. With Creative's products, the exposure may be below the Proposition 65 level of concern, or could even be zero. However, out of an abundance of caution, Creative has elected to place the Proposition 65 warning on its products.

### **Déclaration de la Proposition 65 de la Californie**

**AVERTISSEMENT:** La manipulation de ce produit peut vous exposer à des produits chimiques qui sont reconnus par l'État de la Californie comme pouvant provoquer le cancer, des anomalies congénitales ou d'autres effets nuisibles à la reproduction.

**Veillez vous laver les mains après l'avoir manipuler.**

**Note explicative:** La Proposition 65 (California Safe Drinking Water and Toxic Enforcement Act of 1986) de la Californie sur les matières dangereuses et l'eau potable exige un étiquetage spécial pour les produits contenant certains produits chimiques qui sont reconnus par l'État de la Californie comme pouvant provoquer le cancer, des anomalies congénitales ou d'autres effets nuisibles à la reproduction. Creative a choisi d'inclure une mise en garde s'appuyant sur sa connaissance de la présence d'un ou de plusieurs de ces produits chimiques sans essayer d'en évaluer le niveau d'exposition. Pour les produits de Creative, le niveau d'exposition peut être inférieur au niveau critique établi par la Proposition 65 ou même être nul. Néanmoins, par souci extrême de prudence, Creative a choisi de placer l'avertissement de la Proposition 65 sur ses produits.

## Notice for Canada

This Class B digital apparatus complies with Canadian ICES-003.

Cet appareil numérique de la classe B est conforme à la norme NMB-003 du Canada.

Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesirable operation.

Son Fonctionnement est soumis aux deux conditions suivantes :

- (1) Le matériel ne peut être source D'interférences et
- (2) Doit accepter toutes les interférences reçues, Y compris celles pouvant provoquer un fonctionnement indésirable.

**CANADIAN CLASS B STATEMENT:** This digital device does not exceed the Class B limits for radio noise emissions from digital apparatus as set out in the interference-causing equipment standard entitled "Digital Apparatus," ICES-003 of the Department of Communications.

Cet appareil numérique respecte les limites de bruits radioélectriques applicables aux appareils numériques de Classe B prescrites dans la norme sur le matériel brouilleur: "Appareils Numériques," NMB-003 édictée par le ministre des Communications.

**MODIFICATION:** Any changes or modifications not expressly approved by the grantee of this device could void the user's authority to operate the device.

Toute modification non approuvée explicitement par le fournisseur de licence de l'appareil peut entraîner l'annulation du droit de l'utilisateur à utiliser l'appareil.

## European Compliance

This product conforms to the following:

EMC Directive 2004/108/EC.

Mains operated products for the European market comply with Low Voltage Directive 2006/95/EC.

Communication / RF wireless products for the European market comply with R&TTE Directive 1999/5/EC.

**CAUTION:** To comply with the Europe CE requirement, this device must be installed with CE certified computer equipment which meet with Class B limits.

All cables used to connect this device must be shielded, grounded and no longer than 3m in length. Operation with non-certified computers or incorrect cables may result in interference to other devices or undesired effects to the product.

**MODIFICATION:** Any changes or modifications not expressly approved by Creative Technology Limited or one of its affiliated companies could void the user's warranty and guarantee rights.

## WEEE Directive 2002/96/EC

The use of the WEEE Symbol indicates that this product may not be treated as household waste. By ensuring this product is disposed of correctly, you will help protect the environment. For more detailed information about the recycling of this product, please contact your local authority, your household waste disposal service provider or the shop where you purchased the product.

## Batteries Directive 2006/66/EC

For Removable Battery This product may contain one or more of the following removable batteries: Li-ion/polymer, button/coin cells, cylindrical cells. In this case, the following applies: The crossed-out wheeled bin symbol indicates that the battery in this product should not be treated as unsorted municipal waste upon reaching its end of life. Instead it should be taken to separate collection and recycling schemes. Batteries containing heavy metal content will have a two-letter symbol for the chemical under the crossed-out wheeled bin symbol. 'Cd' stands for cadmium, 'Pb' for lead, and 'Hg' for mercury. You can help the environment and avoid public health hazards by recycling the battery at an authorized recycling facility or the place of purchase. To find the nearest authorized recycle centre contact your local authority. Instructions for removing the battery can be found in the product user manual. The instructions should be followed carefully before attempting to remove the battery.

For Integrated Battery This product may contain a Lithium ion/polymer battery that should only be removed by an authorized recycling centre. By recycling this product at your local authorized recycling centre or the place of purchase, the battery will be removed and recycled separately.

## Declaration of Conformity

According to LVD Directive (2006/95/EC) and R&TTE Directive (1999/5/EC)

Company Name : **Creative Technology Ltd**

Company Address : **31, International Business Park**

**Creative Resource**

**Singapore 609921**

**Declare under our sole responsibility that the product(s):**

Product Name : **Zii EGG**

Model Number : **NSC-FL02**

To which this declaration relates are in conformity with the following standard(s):

**R&TTE** : EN 300 328 V1.7.1: 2006

**EMI /EMC** : EN 55022: 2006 + A1: 2007

EN 55024: 1998 +A1: 2001 + A2: 2003

EN 55013: 2001 + A1: 2003 + A2: 2006

EN 55020: 2007

EN 301 489-1 V1.8.1: 2008

EN 301 489-17 V1.3.2: 2008

EN 301 489-19 V1.2.1: 2002

**Safety** : EN 60950-1: 2001 + A11: 2004

**SAR** : EN 50360: 2001

EN 50361: 2001

EN 62209-1: 2006

Technical documentation for this product(s) is retained at the following address:

Company Name : Creative Technology Ltd

Company Address : 31, International Business Park

Creative Resource

Singapore 609921

## Notice for Australia and New Zealand

This product complies with the requirements of the ACMA Radiocommunications (Electromagnetic Compatibility) Standard 2008.

## Notice for Singapore

Complies with  
IDA Standards  
DB00148

IDA Registration No. N1190-09

## Notice for Japan

### \*Japan recycling instruction for rechargeable batteries

充電式電池リサイクルについてのご注意

Li-ion

クリエイティブの一部製品にはリチウムイオン充電電池が使用されています。

**リチウムイオン充電電池はリサイクル可能な資源です。**

▶ クリエイティブ製品に内蔵されている充電電池をリサイクルするには、充電電池の取り外しはお客様ご自身では行わないで下さい。リサイクルの方法などのお問い合わせは、クリエイティブメディア株式会社のカスタマーサービスセンター  
<http://jp.creative.com/support/contact/> (日本語のみ) にご相談下さい。

▶ 取り外しが可能なクリエイティブ製品の充電電池をリサイクルするには –

### 注意事項

- 安全の為、電力を完全に使い切ってから充電電池を取り外して下さい。
- 安全の為、充電電池の金属端子部分にはセロハンテープなどの絶縁テープを貼って下さい。
- 安全策を講じた使用済み充電電池は、充電式電池のリサイクル協力店へお持ち下さい。充電式電池の回収/リサイクルおよびリサイクル協力店については、中間責任法人 JBRC のホームページ <http://www.jbrc.com/> を参照して下さい。

## Safety Information

Refer to the following information to use your product safely, and to reduce the chance of electric shock, short-circuiting, damage, fire, hearing impairment or other hazards. **Improper handling may void the warranty for your product. For more information, read the warranty available with your product.**

- Do not dismantle or attempt to repair your product.  
**Refer all servicing to authorized repair agents.**
- Do not expose your product to temperatures outside the range of 0°C to 45°C (32°F to 113°F).
- Do not pierce, crush or set fire to your product.
- Keep your product away from strong magnetic objects.
- Do not subject your product to excessive force or impact.
- Do not expose your product to water or moisture.  
If your product is moisture-resistant, take care not to immerse your product in water or expose it to rain.

### Earphones

- When a conductive apparatus such as earphones, is used in close proximity with a CRT television or CRT monitor, the latter may emit an electrostatic discharge. This electrostatic discharge can be felt as a static shock. While this static shock is usually harmless, it is good practice to avoid close contact with CRT devices when using earphones.
- Do not listen to audio on your earbuds or headphones at high volume for prolonged periods of time as hearing loss may result. For users in the United States, go to [www.hei.org](http://www.hei.org) for more information.
- Do not listen to your audio device at high volume when driving, cycling or crossing the road, especially in heavy traffic, or in any other traffic condition where such use will hinder safe travel on the roads. We recommend that consumers be extremely cautious when using this device on the road.
- 自動車やバイク、自転車などの運転中は、オーディオ機器のヘッドフォンで音楽などを聞かないで下さい。安全のため禁止されています。運転中以外でも、車の通る道や横断歩道、踏切、駅のホーム、工場現場など、周囲の音が聞こえないと危険な場所では使わないで下さい。交通事故の原因となります。また、細心の注意を払わなければならない状況下では、ヘッドフォンの使用を中止するか、オーディオ機器のボリュームを下げるなど、安全に配慮して製品をお使い下さい。

### Embedded Battery

- Do not attempt to remove the embedded battery.  
The product must be disposed of according to local environmental regulations. To replace the battery, return your product to your regional support office. For product service information, go to [support.zii.com](http://support.zii.com).
- Do not expose to excessive heat such as sunlight, fire or the like.

**CAUTION:** Risk of explosion if battery is replaced by incorrect types.

### Removable Battery

- The battery must be recycled or disposed of properly. Contact local agencies for recycling and disposal information.
- Do not allow metal objects to touch the terminals of your battery.

- If there is leakage, an offensive odor, discoloration or deformation during charging or use, remove the battery and do not use it again. Clean your hands well before touching food or sensitive areas, for example, your eyes.
- Do not expose to excessive heat such as sunlight, fire or the like.

**CAUTION:** Risk of explosion if battery is replaced by incorrect types.

**Wireless LAN Device**

Switch off the device where it is prohibited, or when its use may cause danger or interference, such as when inside an aircraft, in hospitals, or near refuelling stations.

**Bluetooth Product**

Do not turn on or use your product in an airplane.
